An Open Letter

Dear Parents:

Please take five -minutes and read this letter very carefully. I John Young just formed a new club in the community, the club is called "Tots and Teens Investment Club" with it's present office and central location being at 1316 Jefferson Avenue at E. Utica. This location is formerly the Deco Restaurant and John Young's Chitterling House where I have invested $8,900 in the past. I've had a tremdous help problem trying to operate a chain of restaurants. With all my efforts and sleepless nights it seems impossible to operate in more than one location. I have tried to solve this problem by closing these restaurants and selling them, but then the problem is trying to fing someone with the ability to run an establishment or purchase one. So Ive donated the John Young Chitterling House to the "Tots and Teens Investment Club" to use and raise money for the organization rather than giveit up completely.

The purpose of this club is to organize the youth of our city into one group pool their money and assume money and assume mortages on Real Estate and Busines s's foreclosures, where is the Bank about to foreclose on a person or persons property or business, then the Tots and Teens Investment Club will step in and assume the mortage or mortages until the person or personshas had a chance to raise the money within a given lenght of time, then if he or she cannot come up with the money the club will take the property over completely.

This is to give the youth a chance to get a better start in life than you did. I will be calling on you in your homes and business soon with some literature for your help and advice toward the help and advice toward the future of your child. So when you have the urge to eat out please by all means patronize this location, 1316 Jefferson Avenue at E. Utica.

There will be a secretary on hand at all times with a club ledger and record book, every penny that you spend 1/2 of it will be applied to your child's or children's account for his or her future. The rest of the money will go for taxes, help, inventory stock, rental etc.

I am thanking you in advance for your corporation in this very important matter

John Young
